Virtual live school tour

Lesson observation

Why choose NSW Government Schools Virtual Study Tours?

- Connect with local teachers and senior NSW Department of Education staff
- Tailor-made programs
- Minimal time difference
- DE International staff assist and monitor the session
- Flexible schedule - no set session dates/times
- Competitive pricing including discounts for multiple sessions
- Largest network of schools in Australia

TAILOR-MADE OPTIONS

- Meet & greet with school leaders and staff
 - Lesson observation
 - Virtual live school tours
 - Environmental Education Centre programs
 - Live virtual presentations (up to 2 hours including Q&A) with senior NSW Department of Education staff.
- Topics available on request include:
- online education including distance education
 - multicultural education
 - STEM
 - early childhood education
 - disability education
 - VET (vocational education and training) in schools
 - English language support and language teaching in schools
 - curriculum development
 - IT and education innovation
 - health and safety in schools
 - educational leadership.
- Pre-recorded presentations (up to 1 hour) on a specific topic (e.g. general overview of NSW education system)
 - Options for joint delivery with tertiary providers

The global pandemic has posed challenges for educators around the world as they adapt to the changing environment and use technology more than ever. It has also highlighted the capacity of the NSW education system to respond to change and innovate. Virtual adult study tours allow groups of overseas educators, school teachers or government officials to connect with NSW schools and NSW Department of Education leaders to develop their professional capabilities to support them at this time.

Environmental Education Centre virtual lessons
